"I have been using Coast to Coast Medical for equipment rentals and service for almost 10 years. They are extremely knowledgeable, helpful and always have the equipment I need when I need it. Because of Coast 2 Coast, my clients get top of the line equipment for their labs."

*James M
Research Lab Director*

Biomedical Services

PM's • Electrical Service • Depot Repair

At Coast to Coast Medical we provide repairs, preventative maintenance and inspections for medical devices used in hospitals, EMS services, outpatient surgery centers, physical therapy, rehabilitation and medical clinics.

We offer the following services to meet your needs:

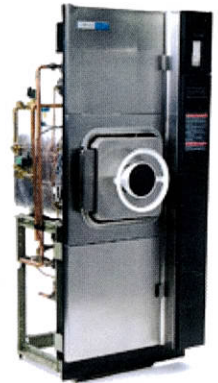

Medical device repairs and preventative maintenance.

Electrical Safety and Performance inspections to ensure compliance with manufacturer, FDA, NFPA99 & JACHO guidelines.

Service contracts & sterilizer contracts.

Substantial cost savings over manufacturer service rates.

Medical equipment sales for medical facilities.

"Over the past several years I have trusted Coast to Coast Medical to maintain and repair all of my medical equipment. From preventative maintenance to repairs I have complete confidence in their technicians' abilities. Coast to Coast Medical will always be our first contact for all of our equipment needs."

Pete G.

Director of Administration

Endoscopy Equipment Sales & Service

Coast to Coast Medical offers a wide range of used and refurbished endoscopy equipment at more than 50% below the manufacturer's price. Our inventory includes gastroscopes, colonoscopes, bronchoscopes, laryngoscopes, hysteroscopes, cystoscopes, duodenoscopes, ureteroscopes and more. We also supply video cameras, processors, light sources, and related accessories. Please call one of our customer service representatives for our current inventory of endoscopy equipment and accessories. All refurbished equipment includes a full warranty.

Instrument Repair & Restoration

We specialize in all types of instrument repair.

World Wide Sales

Coast to Coast Medical serves medical professionals and distributors in over 65 countries. We have over 25 years of experience with international business and logistics. Our representatives are fluent in English, Spanish and Portuguese. We are ready to assist you with all of your medical equipment needs!
